

Helsinki University Press

**Putting researchers at the
centre of scholarly publishing**

Open access publishing with high-quality services:

- Rigorous peer review of proposals and manuscripts.
- Professional copyediting and indexing.
- Archiving in central digital repositories for global reach.
- Cover design by a professional designer.
- Production of digital versions as PDF and EPUB.
Print copies available for a fee in print-on-demand
(author copies provided by the Press).
- Effective marketing of publications tailored
to reach the book's target audiences.
- Efficient turnaround time from submission to publication.
- Professional publishing staff to support
researchers at every stage of the process.

Reaching audiences with no paywalls!
